I am missing only one budget and that is from the Gymnastics team.

**Old Business**

Michelle Black will have an update on Foyer photos. If interested in this committee please see her after the meeting.

## **New Business**

### **~Whirlpool~**

Joey Struwe talked on how the whirlpool which is located in the training room is approximately 10-12 years old. The cost for a new whirlpool is approximately \$6,000. Discussion took place about how many students from different activities across the school use the whirlpool on a daily basis, who funded the last one and why is this not part of the supply budget. Joey did discuss how it's not an emergency request but he knows we are on borrowed time. It was decided that more researching needs to be done before agreeing to purchase a new one.

~The new sound system in the gym will be replaced next week.

### **~Money Education~**

Joey gave a great presentation on the differences between Trust & Agency and the Booster Club Accounts. Booster Club-Money held and distributed by the Booster Club. Purchases are not exempt from sales tax, Donations to Booster club are tax deductible and most money comes from membership and Presidents Bowl. Trust & Agency-Money held in trust by the district, purchases are required to be tax exempt, fund raised money is not tax deductible, money deposited in this account comes from fundraisers, donations and transfers from Booster Club.

~These two entities are designed to work together

### **~Unified Branding~**
