Student Guest Speakers: No guest speakers on agenda

Introductions- Clint decided to forego introductions with so many in attendance. Possibly every other meeting would work best.

Old Business:

- **Foyer Foto**
 - Anita Wetsch said project is about 90% complete. Some students/parents neither submitted photos nor responded to multiple requests via email.
 - Discussion followed regarding Harold's high pixel standards and the difficulty getting photos meeting adequate imagery requirements.
 - Need to have coaches/advisors identify students earlier and even a backup in case first student does not participate.
 - Discussion about having Cindy Cummins, who is on the LHS staff for yearbook, take the photos to ease this process that has become burdensome.
 - Plan is for Cindy to be approached with this idea, further discuss compensation, etc.
- **T-Shirts for All**
 - President's Bowl no longer date for first outing of t-shirts due to the traditional theme of "White Out", but specific games and dates have been proposed.
 - Staff are receiving the shirts as well.
- **President's Bowl**
 - Gregg Gohl reported that 11 volunteer spots remain/need to be filled. Most are in the 50/50 raffle.
 - Kristin reported that tailgate meal and game ticket sales are up...\$18,103 to date. Tix for both are still available for sale in the office.

New Business:

- **Future Patriot Night**
 - Susan Eichacher and Nicole Osmanson shared their plans for Boys Soccer and Girls Softball. Wondered about the general Booster fund providing funding?

- Discussion about how it runs at other schools, how they pick dates for each activity for the entire year in advance and get those dates to Middle Schools for their newsletters.
- Discussion about t-shirts vs rubber bracelets, etc.
- **Mascot Update**
 - Great feedback so far from football game. Coordinate requests for appearances with Cheer coach.
- **Patriot Spiritwear Gift Basket for Prez Bowl Raffle**
 - Kristin to check with school store about this
- **State Championship Team Recognition Idea**
 - Gregg explained that the idea proposed is moving it from the traditional celebrations to more of a “recognition” at another well-attended event ie: football/basketball game.
 - Tom Burchill mentioned this was attempted at a basketball game and it didn’t necessarily go super well. He recommended if we do this in the future, it needs to be better planned and executed.
- **Request for new Water Bottle Fountain**
 - Joey asking for \$2,000 to install this third fountain near old gym by coaching offices
 - LHS staff Danyelle Brown explained there are two others in the bldg, but not near the gym. Current locations are near plumbing sources (bathrooms)
 - Motion to approve by Anita Wetsch, 2nd by Tom Burchill. Motion passed.
