- Committee of Chris Wasmund, Jenny Downey and other interested members established to pursue new LHS Booster Website & social media options. General consensus after discussion that we need to move in a better direction. The Booster website serves the entire school and parents. It needs to be kept updated and functional.

New Business:

- Students from LHS Statesman presented their request for \$1,000 to go towards funding their November journalism trip to Washington, DC. Their current budget goes towards printing and they often just break even. Motion to fund the \$1,000 made by Stacy Dixon. Second by Tondi Sorenson. After long discussion, motion to table vote made by Anthony Pizer so he could explain some Thrivent programs to potentially raise more funds & seed money for activities.
- Anthony Pizer from Thrivent explained Community Impact Engagement programs.

- Joey Struwe proposed spending \$700 for re-usable fence decorating tiles vs using foam cups. Motion to approve purchase by Nicole Osmundson, 2nd by Heather Taylor. Motion passed.
- Discussion regarding ownership/leadership of Future Patriot Night. Agreement that advance planning, coordinating dates and promoting in July/Aug would help it succeed. Various outcomes this year, not all activities went well. Do we need a committee dedicated to this?
- Gregg Gohl shared that the President's Bowl Basketball Tourney needed to recruit volunteers ASAP for the Nov. 23-24th event. He would create sign-up genius and Kristin to distribute.
