Secretary Minutes & Treasurer Financials Reports:

Motion to Approve by Gregg Gohl, 2nd by Jackie Dumansky. Motion carried.

Old Business:

- **T-Shirts for All:** No new update
- **Feature Foto Wall:** Kristin Brown said all but three of last year's photos have been picked up and a letter is being emailed to parents of students nominated for this year.
- **Presidents Bowl Volunteers:** Prez Bowl monthly meetings are now happening via Zoom, and we are encouraged to have representation. 2019 WHS, 2020 RHS, 2021 LHS is the rotation.
- **Booster Website Revamp:** Chris Wasmund/Jenny Downey continue to work on this project and have a meeting scheduled with Omnitech reps to map out the site.
- **Booster Club Presidents Bowl Allocation Formula Discussion:**
Gregg led a discussion regarding the uncertainty about how and when the current allocation formula was developed. Not sure it is equitable or makes sense, and when asked, we should be able to articulate the formula and how/why it was put in place. Two options were proposed: A certain dollar amount (\$32.62) per student involved in each activity, or a baseline of \$1,000 minimum with additional amounts added per increments of students involved.
 - \$250 15-30 participants
 - \$500 31-50 participants
 - \$1,000 51-75 participants
 - \$2,000 76-100 participants
 - \$3,000 101-125 participants
 - \$3,500 126+ participants

Motion: Bring Baseline Allocation proposal (outlined above) to full Booster club for approval. Motion made by Brian Mulder, 2nd by Naomi Dobson. Motion carried.

Administration- Mr. Struwe:

- New district physical policy (one year extension)--those with a physical after 4/1/19 do not need to get a new one, but those prior to 4/1/2019 will need a physical. This info was emailed in a letter to LHS distribution list.
- Unsure if summer camps will happen, unsure what fall sports will look like. Meetings with SDHSAA and District ADs will further clarify as the summer moves along.
- Unsure how Sports Night will take place...a concern is we may lose numbers on Presidents Bowl Ticket Sales as well as Red, White & Blue membership without this event
- Joey thanked the group for our service to the students and families of LHS

Adjournment: Diane adjourned at 6:47 pm. Next meeting July 20th, 2020 (June was cancelled)

Respectfully submitted by Jenny Downey, Asst. Secretary
