Secretary Minutes & Treasurer's Reports Presented:

Motion to Approve the Minutes by Eastlyn Carlson, 2nd by Gregg Gohl. Motion carried.

Motion to approve the Treasurers Report by Eastlyn Carlson, 2nd by Michelle Black. It was reported December figures showed a balance of \$274,939.

Old Business:

- **Presidents Bowl:** It was reported by Kurt that they have filled some committee chairs and are working on the rest so keep encouraging people to step up. There may be some additional same day events such as a bean bag tournament that is being worked on. Tony Erickson, Roosevelt parent and future Jefferson parent from the Let It Shine SD organization may be getting involved. More to come. Playbooks for each committee are wrapping up. Sponsorship is key for the whole event and still needed at this time. It was brought up that we should be sourcing freshman

parents for future. Meetings will start sometime in February so chairs are needed ahead of that. At this time Presidents Bowl dates have not been set.

- **The Square (credit card reader to be used with different account):** Kristin reported that this is currently set up with the Booster checking account.
- **Correction from December minutes:**
Lindsay Lundebly was present last month for chorus but was not included on the attendance list.

New Business:

- **Nominations:** Needed for Assistant Secretary, Assistant Treasurer and Vice President.
- **Website:** There was discussion around whether we need a separate booster club calendar on the website in addition to the metro calendar. The only booster club events that would be entered would be the meeting dates and those should also be included on the metro calendar. Decided to get rid of the idea of the additional generic calendar.
- **Open Discussion and Activity Announcements/Updates:**
 - Comments that the student commentary for the YouTube activity events are done very well. These are mostly done by students of Charnelle Wooledge's class. Also announced that there were enough YouTube subscribers for them to host two live stream events at the same time.
 - Question around parents donating extra passes for basketball games to other families came up and Joey stated that they should be for the immediate family only.
 - Discussion around adding a google form on the site for booster interest and Jenny talked about a volunteer link from the site as well as the ability to view the booster club rep pdf's. Associated links are:
 - LHSboosterclub.com/volunteer/
 - LHSboosterclub.com/get-involved
 - Discussion around responsibility of checking emails from the booster site and it was stated that financial emails go to the treasurer and general emails go to Jenny or Chris. This function will be passed on to those who take over their roles in the future through the Last Pass Account.

Adjournment: Motion to adjourn at 6:02 pm by Jenny Downey and second by Jackie Dumansky. Next meeting, February 8, 2021.

Respectfully submitted by Michelle Black, Asst. Secretary
