Secretary Minutes & Treasurer's Reports Presented:

Motion to Approve the Minutes by Eastlyn Carlson, 2nd by Jenny Downey. Motion carried.

Motion to approve the Treasurers Report by Kurt Brost, 2nd by Eastlyn Carlson. It was reported November figures showed a balance of \$281,235 and that they would be timelier with reimbursements.

Old Business: Nothing was reported.

New Business:

- **Announcements/General Discussion:**

- Kristin reported that there was not much for updates for winter activities except that only 2 passes per player were going to be allowed and that there is still concessions which is being run by the senior class party group.

- Kristin also reported that there were concerns with PayPal asking for photo identification and that maybe the Square would be a better option. The cost for the unit would be \$254.75 and if the booster club would consider purchasing it then it could possibly be used for other things. Jenny asked if there would be a code for the website and Kristin replied yes. Also debit and credit are both accepted. The question came up regarding who would be in charge of it especially if it were used by other activities and Kristin thought either herself or Joey.
 - Jenny made the motion for the booster club to purchase the Square and Sally Woods was the second.
- Kristin also reminded everyone to subscribe to YouTube for livestreaming events and she would send out a link.
- **Presidents Bowl:** It was reported by Kurt that there would be a call for committee chairs and they ask for people to sign up first and if needed will reach out in order to fill the spots. Some of the committees include Raffle, Volunteers, Security, Ticket Sales, Basketball Tournament, Program, Social Media, Sponsors and Bean Bag Tournament (which will be new for this year). For those who may be interested keep in mind a game plan will be set for you to follow. If you have a suggestion for someone with experience in one of these areas please pass it on. Meetings will start sometime in February so chairs are needed ahead of that. A key role will be the sponsorship chair.
- **Round robin of activity announcements/updates:**
 - The winter concert for chorus is next week and will consist of 3 choirs and ensembles. It would be recorded only and they would be performing in seats. Also a new jazz choir was selected as an extracurricular activity – outside of school.
 - The boys tennis team is selling Carhartt stocking caps that say LHS. You can reach out on Facebook or Instagram if interested.
 - Boys basketball has started playing games. The Metro Conf site has a link to the livestream.
 - Bowling has already had 4 matches and is going well
 - Diane reminded the group that LHS was the 7 time Kelo Cup winner!

Adjournment: Motion to adjourn at 5:58 pm by Kurt Brost and second by Gregg Gohl. Next meeting, January 11, 2021.

Respectfully submitted by Michelle Black, Asst. Secretary
